FOLEY HS BAND

BAND CAMP PREPARATIONS

Update:

I spoke with Mrs. Webb in regard to the alternative practice field. We will have our normal summer camp on OUR practice field. Ground breaking for the new facilities will start in August. With that said, we are in need of Sunscreen, Bug Spray, and Boudreaux Butt Cream (chaffing) are some of the items needed for camp this year. Please contact Mrs. Scruggs at 251-408-2360 for scheduled drop off times.

Accounts have not been updated as of now. I am working with a Utility Bookkeeper from the County to prepare all payments and items on "My School Bucks." Please be patient with the transition.

Please read the outlook below. All events are listed under the Date and Day. It should be reflective of the Summer Camp Flyer that was handed to students when they received a Band Contract.
